1. The Stallion Fee stated above includes a non-refundable booking fee which shall be payable upon execution of this contract. The shipped semen deposit shall cover the cost of shipments, courier fees, or any late charges incurred. **THE BALANCE OF THE STALLION FEE AND THE SHIPPED SEMEN DEPOSIT SHALL BE PAYABLE A MINIMUM OF TEN (10) DAYS PRIOR TO THE FIRST SHIPMENT.**
2. Mares on the premises of the Stallion Manager have a breeding priority on any given breeding day, therefore, we make no guarantee cooled semen will be available for a specific day. The Stallion Manager is not responsible for the untimely arrival or condition of the cooled transported semen as we have no control over the shipment after it leaves our custody.
3. There will be a charge, as stated above in the Fee Schedule, for the first shipment of cooled transported semen. There will be an additional charge, as listed in the Fee Schedule, for each additional shipment. Any remaining funds from the shipping deposit will be returned to the mare owner upon the written confirmation of the 60-day pregnancy.
4. Due to the high demand for shipped semen, it is imperative that the container be returned to the Stallion Manager within 72 hours. Return shipping costs incurred are the responsibility of the mare owner. **ANY CONTAINERS NOT RETURNED WITHIN THE 72-HOUR PERIOD WILL BE CHARGED A \$50/DAY LATE CHARGE.** Please use Federal Express Next Day or UPS Next Day Service. **DO NOT USE U.S. POSTAL SERVICE.**
5. The Mare Owner understands that they must comply with the following:
 - a. Consult the Stallion Manager as to the days of collection
 - b. Notify the Stallion Manager when the mare comes into heat
 - c. Have your veterinarian contact Stallion Manager at least 2 days PRIOR to when he believes he will need semen for your mare. This will help us plan for your potential need for semen
 - d. **CONFIRM ORDER FOR SEMEN BEFORE 2:00 PM PRIOR TO THE DAY OF SHIPMENT.**
6. A "Live Foal Guarantee" will only apply as stated below:
 - a. A live foal is described as a new foal which stands and nurses without assistance. Should the mare not produce a live foal from this breeding, miscarry, or prove barren after being pregnant and checked in foal, a rebreed will be honored the following year with a rebreed service charge as stated in the Fee Schedule above. A substitute mare may be used if the original mare is unfit for breeding at the discretion of the Stallion Manager. The Stallion Manager may require the rebreeding to be performed at the Stallion Manager's facility rather than through cooled semen.
 - b. For mares that **DO NOT CONCEIVE** from the breeding using cooled semen, a rebreed will be honored the following breeding season with a rebreed charge as stated in the Fee Schedule above. The Stallion Manager may require rebreeding to be performed at the Stallion Manager's facility rather than through cooled semen.
 - c. Confirmation of pregnancy of the mare at 60 days must be submitted in writing from a veterinarian or receiving station
